WORK EXPERIENCE

RESTAURANTS KINICH & ZAMNA (2016 -2019)

I worked for 3 years and 8 months at the Kinich and Zamna restaurants in Izamal city. In the IT department, I implemented a web platform for the services offered in these establishments. Using technologies such as Laravel and DynamoDB. With schedules from 12 p.m. to 8 p.m., from part-time only on Saturdays and Sundays.

HIGH SCHOOL DR. EDUARDO URZAIZ RODRIGUEZ (2016-2019)

I worked for 3 years and 8 months at Dr. Eduardo Urzaiz Rodríguez High School in Izamal city. In the computer science department, I had been developed an automated school grading system for the generation of student reports. Using technologies such as C# and SQL Server. With a schedule from 8 a.m. to 3 p.m., Monday to Friday.

UNIIDE UTM (2019 - 2022)

I worked for 3 years and 2 months in the innovation and business development incubation unit at the metropolitan technology university in Mérida city. In the IT department, I have been developing an automated quote platform for the generation of financial budget reports. Using technologies such as ASP.NET MVC and MongoDB. With a schedule from 4 p.m. to 10 p.m., Monday to Friday.

SEGEY (2019 - 2022)

I worked for 3 years and 4 months at The Secretary of Education of the Government of the State of Yucatan in Mérida city. In the IT department, I have implemented different systems for the secretary of education. Using technologies such as CodeIgniter and MySQL. With a schedule from 8 a.m. to 3 p.m., Monday to Friday.
